elite discourse examines how language and communication or just discourse define mediate and legitimize class privilege it does so from the perspective of those people and places who often stand to gain most from inequality collectively chapters consider language and communication that is elitist in its appeal to distinction excellence and superiority they also describe the ways in which various groups and institutions lay claim to eliteness as a way to position themselves or to be positioned by others as elite or non elite as such chapters are concerned as much with discourse about elite status as they are with the discourse of elites those groups commonly defined by their material wealth political control or demographic

rarity ultimately elite discourse views elite as something we do rather than something we necessarily have or are indeed elite status and eliteness point us to the rhetorical strategies by which many people differentiate themselves and by which they access symbolic material resources for shoring up their status privilege and power this book was originally published as a special issue of social semiotics
